BID STATUS

Penske Logistics has successfully won the bid and will retain all current work duties.

SAFETY REP. AND ALTERNATE SAFETY REP. POSITIONS

There has been a lot of talk about the Health and Safety Rep. positions. On September 28, 2009 notices went up for anyone interested in becoming a Health and Safety Rep. On the notices there are requirements and you need to submit your resume at CAW Local 200 hall before October 9, 2009.

ABSENTEEISM / LATE AND EMERGENCY CALL POLICIES

The company has informed the union that they are looking into changing their absenteeism policy along with monitoring the amount of emergency calls. If you are unable to make in for work you are required to notify the company.

HARRASMENT IN THE WORKPLACE

Both the union and the company have a zero tolerance policy when it comes to harassment of any nature. The company is required to provide a work environment that is free from discrimination. They maintain a strict policy prohibiting unlawful harassment of any kind. If anyone feels that they are being harassed at work, you must notify someone for help.
